

DUE: October 29, 2015

ASSIGNMENT 6 – Part 3

The following assignment will demonstrate your ability to do the following:

1. Build the working version of the Midterm Project feedback page.

Do the following for the Feedback Form:

1. Name it “feedback.htm”
2. Make sure there are navigation links to all other pages.
3. Build a form with the following fields and attributes (see below)
4. Validate all required fields. Display the error message next to the field.
5. If all fields are valid and the “I agree...” checkbox is checked then Submit (redirect) to page “thankyou.htm”
6. “thankyou.htm” will simply display a message “Thank You!”

Name	Text field	Required
Email	Text field	Required
Phone	Text field (3 text boxes – NNN-NNN-NNNN)	Required
Gender	Radio buttons	Required Male Female
How many Pets do you have?	Select list	(None, 1,2,3,4,5) When selected will display text field(s). Text fields will be drawn based on number selected.
Pet Name: #N	Text field	Only displayed when option above selected. Draw number of text fields based on selection.
Interests	Check boxes	None Walking Running Swimming Biking Other
Comments	Text area	Required
I agree to the Terms of the site	Check box	Required When checked will enable the disabled “Submit” button
Submit	Button	Disabled upon page load Will submit form when all required fields are valid

Name it **feedback.htm**, upload to your web site under “midterm” folder, and link to it from your student home page for the class. This is the same page used for the Midterm project, only include in your midterm folder when this page works correctly.
